MYSORE DISTRICT,

Dated Mysore Camp 10 October 1908.

To

K. S. Chandrasekhara Iyer Esq., B.A. B.L.;

SECRETARY TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

SIR,

Adverting to Government Proceedings No. FC 861-7-GC. Lis: 29-05 dated 21st August 1907 passing final orders regarding the grant of Cowle to the late Bakshi Basappajiers, I have the honor to state as follows:-

2. Rev. D. Sita Rama Rao, appointed by Government as agent for the settlement of the affairs of the Bakshi, desired me in his letter, No. B.53 dated 24th January 1908, a copy of which is enclosed for reference, to instruct the Amildars of this District to see that the landed properties of the Bakshi were not

not allowed to deteriorate and to secure their produce for disposal to the best advantage. Accordingly I issued orders to the Amildars concerned, some of whom later on solicited instructions as to the disposal of the produce of certain properties directly under the management of the Bakshi - such as the minor forest produce in the Sanjauqed and Candolpet Talucs. As it was reported that the Bakshi was selling annually the minor forest produce, the Amildars were directed to personally conduct the sales and report the result. The Amildar of the Sanjauqed Taluk, whilst reporting that proper bids were received at the time of the sale solicited orders as to the confirmation of the sale as also for the adjustment of the realizations towards the Land Revenue arrears due by the Bakshi. As the Government has appointed an Agent to settle these affairs and as I had no definite orders for these properties being managed by Government, I referred the matter to Rao D. Lakshmana Rao for such disposal as he thought fit: and at the same

same have suggested to him the desirability of taking the Bakshis properties above under Government management in view of the peculiar manner in which these properties were being managed, the owners retaining no possession with them and the Government not having realized rent from them under Government management. A copy of the letter received in reply is enclosed for reference, wherein Rao Saheb Rama Rao says that "they will have to be managed under orders of Deputy Commissioner, Mysore district". In the absence of instructions from Government as to the management of these properties, I am unable to proceed further in the matter. The Mysore Taluk Amildar now reports that the lessees of certain gardens in the village of Hadajana have refused to pay up to Government the rent due to the Bakshi.

Under these circumstances, I beg to propose that pending the execution of the bond and other preliminaries of the landed properties of the Bakshi may be ordered to be taken early

under

under Government management,
wherever they are situated as from
reference received from other districts
they also seem to labour under the same
difficulty as I now experience.

2. One of these properties viz: the Kharagam-gutta village of Harvada in the Gundelpett Taluk is understood to be already under Government management. The surplus revenue, if any, that has accrued from this village since 1908, may be kindly caused to be ascertained together with the extent and assessment of the village.

3. It is said that the accumulated revenue from the sandy produce from said Harvada village for about the last 10 years is kept in deposit. If so, I beg to be informed what such deposit sum amounts to.
